Ref: 250925-66

Dear HR,

Happy Thursday,

Please find below a covering letter explaining my experience, reasons for applying and availability for interview.

I am currently a postgraduate student at the Open University majoring in Human Resource Management. However, I have a prior MSc in Economics from the highly ranked Department of Economics at Essex University as well as an undergraduate degree in Management gained from Essex Business School.

I am confident that I will be able to execute the responsibilities of managing original research using STATA or R. I have *some* previous research experience related to these programs available on SSRN, ZBW and arXiv, and I believe working for the CEP alongside Prof. Machin would be an incredible opportunity.

I am available for interview during the week of 23 October 2025.

Yours Sincerely,

A handwritten signature in blue ink, appearing to read 'Alfred', followed by a stylized flourish.
